

Sign In to the Learning Management System

Use these steps to login to the LMS and begin learning

1 Log into HH Talent Central

HH Talent Central is accessible through ADP. [Click here](#) to login to ADP or type www.workforcenow.adp.com in your internet browser window.

New Hires will need to register with ADP to setup a username and password.

2 Find HH Talent Central under Quick Links

Scroll to Quick Links > Click HH Talent Central.

3 Select Training Courses

Navigate to the training courses. There are several ways to navigate to the training modules. Here are a few.

Click the HH Learning Panel

Click the **HH Learning Panel** >

Browse the training courses >

Click the **course title** > Click

Training may require manager approval

Hover over the Learning Tab

Hover on the **Learning tab** >

Select **Browse for Training** >

Scroll through the training courses >

Click the **course title** > Click

Training may require manager approval

4 Complete Assigned Training

Assigned training automatically appears on your transcript. To access assign training:

Click the **Learning tab** > Select **View Your Transcript** > Assigned courses appear on your transcript>

Click the **course title** to launch the course

Assigned training is already approved by your manager
